

Staff Holidays

Aston from Pandas is away
Thursday and Friday

Afiyah from Tigers is also away
Thursday and Friday

Donna from Tigers will be away on
Friday

Don't forget to let us know if
your going away on holiday.
Many thanks

Weekly Newsletter

Monday 20th May 2019

Reports

Bunnies and Tigers will be
receiving their children's reports
over the next few days.

These reports have been written
by your child's key workers and
give a brief summary of your
little one is getting on whilst at
nursery. There is a space for
parents/carers to write a
comment and return this to
nursery.

There will be a booking sheet in
both rooms, please sign up to
arrange a consultation meeting
with your child's key worker so
you can discuss your child's
report in more detail.

Pandas reports will be coming
out towards the end of June.

Bunny Room

This week in the baby room we will
continue looking at all the transport and
exploring various types of transport.
The babies are really enjoying it and love
playing with the cars.

Can I just remind parents to please bring
in sun cream and sun hats for the babies.

Also the GDPR letters that went out last
week, could these be brought back as
soon as possible please. If you have lost
your please do let us know and I can get
another copy.
Thank you

Songs of the week:

Scooter safety

We are thrilled that children are traveling to
nursery on their scooters and bikes. Can we
please ask parents/carers to ensure that their
children are not scooting too far ahead of them
where they can't be seen. As you are aware
there is a staff car park which is entered from
the road crossing the pavement. There have
been many times parents have been talking to
other parents and their children have been
scooting up at down the street at speed not
realising that cars come and go into this
carpark. Although staff are aware of this and go
in and out very slowly with caution, this carpark
is used by visitors who may not be so aware.

Thank you for your cooperation.

Diary Dates

Bank Holiday: Mon 27th May
May Half Term: 27th May – 3rd June
Little Urchins: Tues 18th June
Tigers Forest School Sessions:
Wed 3rd, 10th and 17th July
Nursery picnic: 13th July
Summer Holiday: 24th July – 5th Sep

The Parent gate

Please be aware that no one
should be following in behind you.
This would be a safeguarding risk.

Although, the internal doors are
locked and children always
supervised, we still can't have
strangers admitted onto school
grounds.

All visitors must report to the
school office. Please do tell
visitors this if they were trying to
gain entry with you.

We'd like to assure parents there
has not been an incident of this
happening – but nonetheless we
count on parents to help us in this
aspect of safeguarding.

Thank you for your continued
cooperation

Clean clothes

The children in our nursery get
involved in many activities
throughout the day and often
children need to be changed into
clean/dry clothes afterwards. Please
could parents remember to check
their trays/bags at the end of the day
to ensure any dirty clothes are going
home and that you send enough
spare changes of clothes for your
children while they attend nursery.

Tiger Room

This week in Tiger Room we will be
focusing on The Very Hungry
Caterpillar. We are going to do lots
of craft activity. Also we are going to
put our little caterpillars into a net
and see them grow and turn into
beautiful butterflies.

REMINDER:

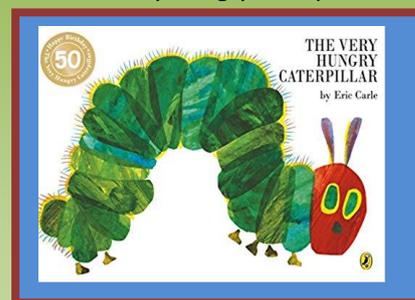

Can I remind all parents to bring in
sun cream please as the weather is
getting warmer. Thank you

Panda Room News

Notices

Scooters and bicycles

We know that our panda's enjoy using their scooters and bicycles when coming to nursery in the mornings and that physical activity is very important for children's health which we gladly encourage!

We kindly ask all parents to please make use of the Nursery scooter/buggy area to store your child's scooter, either with your child before you drop them off at breakfast in the hall or taking the scooter yourself to the designated area after you have dropped them off in the dining hall.

We have many children getting dropped off for breakfast in the dining hall with their scooters/bicycles and due to school policy we are not allowed to bring scooters with them into the hall or keep them in the corridors as they are blocking entrances/exits.

We kindly thank you for your continued cooperation with this!

GDPR Forms

We recently sent out some forms for all parents to complete last week with regards to data sharing, etc. These forms need to be completed and returned as soon as possible to the nursery to ensure that we remain compliant under all the new GDPR rules and regulations. If you have any questions please speak to a member of staff.

Thank you!!

Show and Tell

We would like to thank all the parents and children for bringing along their special toys, gifts and treasures from home to share with all their friends in the panda room.

Our Panda's have really enjoyed these past few about sharing their show & tell items, they practiced great listening skills and became very confident at asking each other questions.

From next week we will no longer be doing show and tell but instead we will be sending Pete the Floppy Panda home each week with a different child to spend some time with them!

Preschool Graduation

Our Graduation Ceremony will be held on in two sessions, so that all of our leavers can participate.

Tuesday 16th July at 10am
Thursday 18th July at 4.30pm

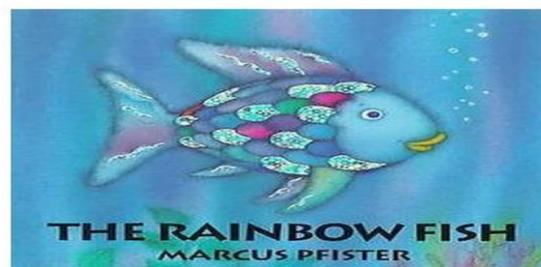

We are celebrating all the children leaving us to go to Reception in September and all our preschoolers will be joining in the festivities.

We will have our ceremony in our school gym and we would like to invite parents/carers to come and celebrate this with us.

Phonics

This week we will be learning the 'r' sound and practicing how to write it correctly using the writing phrase,

"Down his back, then curl over his arm."

This week we will be reading the Rainbow fish with our children in the Panda room!

Our Panda's will be exploring different rainbow filled painting activities in the classroom and if the weather permits, then outside too! We will also be practising our maths skills as we engage them with adding 1 more or taking 1 away with different maths activities and resources.
